

QUICK-START GUIDE NUMARK MIXTRACK PRO III

serato

DJ INTRO

Installation and Setup

The Numark Mixtrack Pro III requires drivers for both Mac and Windows. You will find these on the installation CD that is provided with your Numark Mixtrack Pro III, or go to <http://www.numark.com>

NOTE: Please ensure you have the latest available drivers AND firmware updates, which may be required in order to be compatible with Serato DJ Intro. Please go to <http://serato.com/support> or visit the Numark website.

1. Download and install the latest version of Serato DJ Intro from <http://serato.com/dj/downloads>
2. Connect your Numark Mixtrack Pro III to an available USB Port.
3. Open Serato DJ Intro.

Performance Pads

The bottom row of pads is dedicated to Cue Points:

- **CUES 1-4:** Pressing the bottom 4 pads will add up to 4 Cue Points. Holding **SHIFT** and pressing the Cue pads will delete the Cue Points.

The top row of performance pads have different modes you can select. They are Manual Loop mode, Auto Loop mode and Sampler mode. Hold the **PAD MODE** button and press pads 1-3 to enable each performance pad mode.

- **AUTO 1/Manual Loop mode:** Pressing pad 1 will start and set a Manual Loop In point, pad 2 will set the Loop Out point and pads 3 and 4 will turn the Loop On/Off and Retrigger the loop.
- **AUTO 2/Auto Loop mode:** When pressing pads 1-4 you can activate Auto Loops of different sizes. Hold Shift and press pads 1-4 to enable Loop Rolls of that size.
- **AUTO 3/Sampler Mode:** Pads 1-4 will trigger samples loaded in slots 1-4 of your Sample Banks. Holding **SHIFT** and pressing pads 1-4 will stop the sample playing. If a sample slot is empty, pressing the pads 1-4 will load the currently selected track in library to the corresponding sample slot.

DJ-FX

You can have up to three different effects active per Virtual deck within Serato DJ Intro with the Mixtrack Pro III.

Mixtrack Pro III Control	Serato DJ Intro function	Shift
FX 1-3	Turn FX slot On	Select next FX in slot
FX 2	Adjust FX parameter 1	Select next FX in slot
FX 3	Adjust FX parameter 2	Select next FX in slot
TAP	Tap DJ-FX tempo	N/A
BEATS	Adjust beats timing multiplier	N/A
TOUCH STRIP	Adjust FX depth	Skip search track

Using the Tool Tips

Click on the  icon to enable Tool Tips. This is located in next to the setup button in the top right hand corner of the screen. Tool Tips provide a handy way to learn the various features of Serato DJ Intro Intro.

Move the mouse over a section of the screen to bring up a context sensitive tool tip. Holding the mouse over the  button with Tool Tips turned on will show you a list of all keyboard shortcuts.

For more information about how to use Serato DJ Intro Intro, please go to our website www.serato.com or refer to the Serato DJ Intro Intro Software Manual. For more information on your controller, please refer to the hardware manual.

For further help, please contact support@serato.com or go to www.serato.com/dj-intro/support
